Affected Products

This extension applies to all language versions of the following products:

- Autodesk® AutoCAD® Map 3D 2015 with Oracle database or embedded DWG (SQLite)

Note that the extension is only available in German.

Content Summary

- AutoCAD Map 3D 2015 Germany Land Management Extension for Administrator
- AutoCAD Map 3D 2015 Germany Land Management Extension

The installer contains the NAS import and the Germany Land Data Model (ALKIS).

Installation Instructions

Note: You must have **administrative privileges** on your Microsoft Windows operating system.

Download the appropriate version of the extension (32-bit or 64-bit) based on your operating system.

1. On the computer where the products (Autodesk Infrastructure Administrator 2015/Autodesk AutoCAD Map 3D 2015) are installed, close all software applications.
2. Execute the following file *CKE_LandDEForAdmin.msi* to install the extension for the Autodesk Infrastructure Administrator 2015.
3. Execute the following file *CKE_LandDE.msi* to install the extension for Autodesk AutoCAD Map 3D 2015.

Note that the installer will automatically detect AutoCAD Map 3D 2015 on your computer.
